Parkland Area

Located just 25 miles west of Chicago's Loop, Downers Grove is the home of one of Chicagoland's most energetic downtowns with many unique boutique shops along with a wide variety of dining and community events.

Within this downtown is one of DuPage County's most popular attractions, the

historic **Tivoli Theatre**. This is one of the rare historic movie houses that has not been divided into several small screens and has been carefully restored to its original splendor. Downers Grove has three Metra commuter train stations and is conveniently located near **O'Hare and Midway International airports**.
